News From the Edge

As summer days come to an end and we return to our regular schedules, it is the right time to reconnect and recap on the progress made this summer in the AUC re-building project.

The EDGE Property Committee is pleased to say that Stage 1, the substructure of the building, is close to completion bringing our focus to the next stage – building the above-ground structure from the Yonge Street level and up!

Here are some of the updates we are excited about:

- The Dalton Company has been hired to provide Construction Management Services
- Dalton has been diligently working on the preconstruction planning to provide “Value Engineering, Design Assist, and Cost Estimation services to ensure an optimized building design commensurate with the Church’s program, operations and budget”

EDGE looks forward to sharing more exciting progress reports in the months to come. Our design and construction teams have been tasked with finding savings in time and cost to move this project along to the completion of a beautiful church facility that meets our needs and future dreams.

Rise & Shine Breakfast Volunteers Needed

Starting Nov. 4th, R&S breakfast is moving back indoors. More volunteers are needed for the move back in. We are especially looking for individuals to help with dish washing, and set-up.

Great way for students to get their community hours. To volunteer contact:
