

## Step Onto the Lenten Pathway...Wilderness: 'State of the Wild'

Lent begins in the wilderness. The Spirit guides Jesus into the wilderness where he comes face to face with temptation and struggle. Yet, in his forty days of fasting, resisting, and wandering, Jesus is shaped and formed for ministry.

Similarly, through the wilderness of Lent, we are invited to surrender to the wild leadings of the Spirit. We rarely enter the wilderness willingly, but hopefully through our wandering we remember *who* we are and *whose* we are. The wilderness can become sacred even if it remains dangerous. There is no wilderness space too harsh or threatening to God's love.

This year's theme is: *'Wilderness: 'state of the wild'...*and we invite you to use the Lenten devotional booklet (a gift from the Worship Committee) available on the Welcome Table. Entitled, 'Wilderness'...this book includes art, poetry, reflections and also pages for your own thoughts and reflections as the season unfolds. Weekly themes include: *The Wilderness is Somewhere We've Been Before/The Wilderness is a Place of Beginnings/The Wilderness is a Place of Mystery & the Unknown...*among others.

Additionally, begonia plants will be available for the next two Sundays (Feb 18<sup>th</sup> & 25<sup>th</sup>). Through the solemnity of Lent there is ample proof of hope that comes to us in growth; clear evidence of God's ongoing acts of Creation. You are invited to nurture your plant over the coming weeks, returning it in blossom for Easter Sunday worship to brighten and enliven the sanctuary space,

This year's Zoom Lenten Study, *Act/Fast (Spiritual Practices for a Climate in Crisis)* will begin **Wednesday, February 21<sup>st</sup> @ 7pm**. The Zoom link will be on our website this week. Resource books are available today from the Welcome Table, although you do not need the resource to participate.

Further Lenten resources can be found on the AUC website at: [auroraunitedchurch.ca](http://auroraunitedchurch.ca) with new resources posted every week.

The Worship Committee wishes you a meaningful Lenten season.

## News From the Edge

### Church Community Update February 2024

While winter is a time for sleep in nature, there is no sleep where our church construction is concerned.

Our construction teams have come a long way in securing tenders from the trades in preparation for each phase of construction, to ensure we meet our critical timelines. The Board of Trustees continue to keep a close eye on the funds available while releasing approvals as needed to keep things moving forward.

Here are some of the updates we are excited about:

The two elevator/stairway shafts, one being at the northwest corner of our footprint, and the other being at the southeast corner which will be in the Tower, rise up to complete the concrete work of our construction contracts.

The structural steel is the next big step forward and will commence early March. This is when the form of the church building will begin to be revealed.

If we engage our imaginations, we may see – the bones of the building forming and witness first hand – the Phoenix Rising!

The EDGE Property Committee (EPC) continues the work of monitoring the progress of the construction project. Recently, EPC has focused on the interior work for the identified priority areas of the church, and in doing so, assisting the efforts of the Fundraising Team.

### Lenten Study Group on Zoom

Lent is almost here; instead of giving something up, why not think about what you would like to learn from your journey this year? Grief, anxiety, hope, love, pain, despair, awe—many emotions are used to describe our relationship with all of Creation. What is your personal, physical, and spiritual relationship with God's Creation?

Copies of the book are available after church on Sunday morning and

through the week from Suzanne in the office.

Books are \$16.

*You do not need to have the book to join the study group!*

### Welcoming Arms Lent Appeal

Sudden illness can profoundly affect a person's ability to earn a living, many who become ill are laid off, or forced to quite work because of the effects of treatment, leaving a family without food and necessities of life. 14% of seniors who live alone are living in poverty. Many of these people come to Welcoming Arms for assistance, food vouchers, toiletries and a listening ear. Aurora United Church is in partnership with six other churches in supporting Welcoming Arms, through financial assistance, volunteers, and providing toiletries each week.

### How Can You Help...

The following items can be dropped off Sunday morning or drop them off to Suzanne at the AUC office during office hours!

### Community of Faith Profile

As many of you are aware, Rev. Lorraine and Rev. Andy advised us at our last AGM meeting of their intention to retire in June of 2025. While we wish them heartfelt congratulations on their decision, as a congregation we now have work to do. Community of Faith Profile (CFP) Committee is seeking your input. This information will be used by the Search Committee that will be formed later this year.

To help with this we are inviting you to take 10 minutes of your time to answer the two questions on the survey: <https://www.auroraunitedchurch.ca/news/community-of-faith-profile-committee>
