Travel Bursaries: Rainbow Camp® welcomes campers from near and far! To support travel costs, we offer bursaries of up to \$350 CAD for those outside our designated bus pick-up locations in Ontario. The bursary application is available during online registration, but funding is limited and not guaranteed.

Travel Credit: Registration includes bus travel from our designated locations. If you arrange your own transportation to camp or the Sault Ste. Marie (Ontario) airport, you'll receive a travel credit based on your payment tier. This credit can be applied to your registration fee or converted into a tax receipt upon request.
